One: Holy God who gives and then gives more: it's the offering time to place a gift of money to sustain the mission of your church, here we are reminded that we have other gifts as well, not noted on our bank statements. You have given each of us spiritual gifts, not to make us rich but to make us compassionate and more just, because we were here. Open our hearts when you would have us use them. In the Savior's name, we pray.
